CLC/B/148/B/028/MS36855 Not available for online ordering. Please see staff	Confidential reports (numbered 500-699) The file includes a typescript list of "suspended certificates", compiled ca. 1920. These reports were sent to Lloyd's by the Registrar General of Shipping and Seamen to convey decisions about particular captains arising out of official enquiries into casualties. The information was extracted from the Registrar General's "Black Books" (held at the National Archives). The nature of the offence is not stated in the years 1941-6 as the papers for these years are not confidential reports but instead letters to Lloyd's from the Registrar General. \$aThe whereabouts of reports numbered 1-499 are not known. \$aThese confidential reports are referred to in Lloyd's Captains Registers (Ms 18567-9) under casualties (collisions and sinkings), indicated by numbers in blue ink within an oval. 1 guard file Former Reference: MS 36855	1908 - 1946
